

Manly Camera Club

OUR AIM IS TO NURTURE THE ART AND CRAFT OF PHOTOGRAPHY IN A FRIENDLY ATMOSPHERE THAT ENCOURAGES PERSONAL GROWTH REGARDLESS OF SKILL LEVELS.

Welcome to the Manly Camera Club.

People of all ages, experience levels and camera types are welcome. What we all have in common is our love of photography. Our main focus is on improving our photography and we achieve this through a competition program which provides constructive feedback on our images, presentations from accomplished photographic artists and member outings to practise our art.

Photography

Our annual program includes workshops and field trips, talks from experience photographers and competitions.

Education

Among the club's key objectives is the ongoing education of its members.

Friendship

Manly Camera Club links people who share a passion for photography.
